

# ACCIDENT OR BREAKDOWN ON HIGHWAYS

## WHAT TO DO?

1- Turn on the warning lights

2- Put your safety vest on

3- Always exit by the passenger side

4- Protect yourself from danger, go behind the safety barrier

5- Give the alert to the closest emergency phone boot, every 2km

6- Go back to your car still behind the safety barrier until help arrives

**NEVER USE THE TRIANGLE ON URBAN ROADS OR HIGHWAYS !  
(too dangerous)**
