

FRENCH SPECIAL RESIDENCE PERMIT or CARTE "PROMAE" (code « AT » or « FI »)

French Special Residence Permits, "cartes PROMAE" are delivered by the French Ministry for Europe and Foreign Affairs to non-French ITER members and their family living permanently in France.

The PROMAE residence permit is free of charge and it exempts from work permit obligations.

This permit IS NOT an Identity Card.

You must carry your EU identity card or your passport with you at all times to prove your identity.

WITH THIS PERMIT YOU CAN:

- Reside in France for more than 6 months and work in France without any additional document (for employment of spouses, please contact the Welcome Office)
- Travel within the Schengen Space and go back to your country (the permit works as a visa).

VALIDITY & ELIGIBILITY:

- The first card is usually valid for 3 years. The Welcome Office will assist you for the renewal process (around 1 month before the expiry date). Note however that **holding a valid residence permit is the card holder's personal responsibility**. Renewed cards are for 5 years (validity may be shorter if passports have shorter validity, or if children are no more eligible).
- Your children can have a permit until their 21st birthday if they are still residing in France and dependent on you when studying in France. From 18 to 21, you will have to provide a certificate to prove their dependency. After 21, the card has to be returned to the Ministry via the Welcome Office. **Children aged 21 and over** have to obtain a different visa (according to their status).
- French Special Residence Permits are granted to non-French ITER members and their family living permanently in France, as long as they were not resident in France before the IO employment. *N.B: If you benefit from a double nationality including the French citizenship, the Ministry for Europe and Foreign Affairs will only consider the French one. No special residence permit will be issued.*
- All holders shall return their permit to the Welcome Office at the end of the employment contract of the ITER member or when they are no more entitled to it (divorce, departure from France...).
- If the ITER member is **not eligible** for the PROMAE visa, his/her **family members will be not be eligible either**.

The Special Resident Permit (with a code "AT" or "FI") is a proof that its holder enjoys the privileges and immunities (P&I) provided for by the Headquarters Agreement signed between the ITER Org. and France.

For further information on those P&I, please check the [ITER website](#).

Keep in mind that "the purpose of such privileges and immunities is not to benefit individuals but to ensure the efficient performance of functions by consular posts on behalf of their respective States" (Preamble of the Vienna Convention on Consular Relations 1963)
