

2- MEET A SPECIALIST

How can I get in touch with a specialist?

- First, the family doctor, GP, **will refer you to a specialist through a prescription.**

If needed, he will write a letter, give a call or coordinate the appointment.

Exceptions to this system: pediatricians, gynecologists, psychiatrists, dentists, ophthalmologists > you can go directly to them, but you may always ask your family doctor for advice.

- Specialist fees:** Between 40€ and 100€ on average
